I understand that I may enter up to 5 prints. However, if the total entry exceeds the limit for the competition then I may only have 3 or 4 entries in the competition. I have put my entries in my rank order such that if I lose one entry it will be the one listed fifth and if I lose two it will be the ones listed fourth and fifth.

My prints are titled on the back at the top and the titles on the prints match the titles on this form. Nothing other than the title is on the back.

Prints that do not meet the entry requirements can be disqualified from entry.

I am in the Advanced / Intermediate category (if neither is indicated then Advanced will be assumed). Prints entered in the Advanced category must have a mount size of 400mm by 500mm.

To the best of my knowledge my entry conforms to the club competition rules, including:

- Only work in which all of the elements of the image have been photographed by the entrant may be submitted.
- Any alteration/manipulation must be the work of the entrant with the exception of colour balancing by a Commercial Photo Printing Service.
- Work that is so similar, whether PDI or Print, as to be effectively indistinguishable from work entered during previous seasons, will not be accepted in any competition.
- All work entered in monthly competitions cannot be entered again in any club competition in any future season.
